

The Small Business CRM Loved by Users

Easy-to-use, Cost effective and Flexible.

Small businesses are strongly impacted by poor sales efficiency and complex CRM systems. With BPA CRM, you have an easy-to-use, cost effective and flexible CRM solution to meet all your needs.

CRM & Project Management by BPA Solutions

BPA CRM & Project Management is a centralized, ready-to-use, highly customizable CRM solution. It mitigates the need for dedicated CRM resources, and enables you to know your customer as well as they know themselves.

“

We chose BPA CRM because of its flexibility, integration capabilities to existing external systems and its lower cost.

David Cayrac – ENI - Switzerland

Out-of-the-box Small Business CRM
